

Systematisk vedligeholdelse Optimalløsning

Har du det ... ?

... ellers kan vi hjælpe dig!

ROCOLCare er et simpelt og effektivt vedligeholdelsesprogram. Alle smøresteder bliver dokumenteret. Afdeling, maskine, applikationer og produkt bliver noteret ...

Det giver sikkerhed ved audit og trykthed til korrekt anvendte produkter iht. lovgivningen.

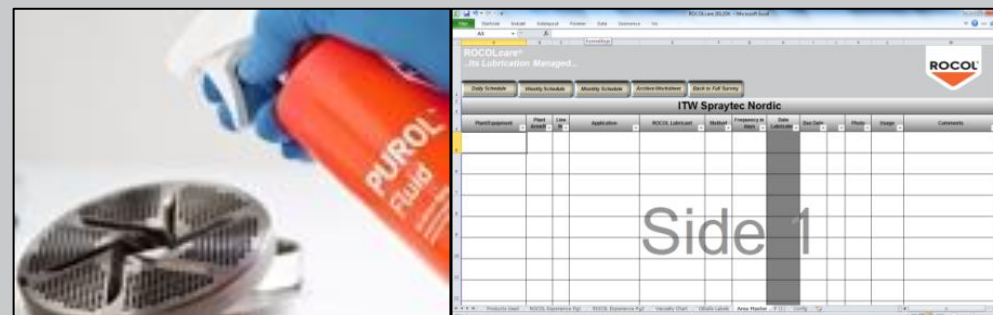

ROCOLcare flytter arbejdsrutiner - reparationer bliver til planlagte stop!

ROCOLcare er **GRATIS**. Ved overdragelsen får du en mappe med program og produktdokumentation. Der tilbydes undervisning der passer præcis til din virksomhed, og du kan udskrive aktuel, ugentlig, månedlig eller total smøreliste.

ROCOLCare er:

- Optimal smøring/vedligehold
- Reduktion af havarier
- Reduktion af lagerbeholdning
- Tid til planlagt vedligeholdelse
- Reduktion af produktvarianter
- Sikkerhed ved audit
- Brug af korrekte smøremidler
- Gennemgang af fabrikken
- Økonomisk gevinst
